Make a pumpkin bag (if you dare)

Did someone say sweets? Have a go at this easy trick-or-treating pumpkin bag.

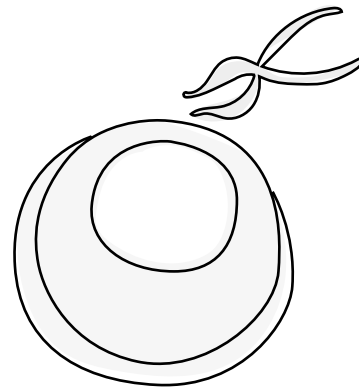

1. Start with two paper bowls and draw a circle on the base of one.

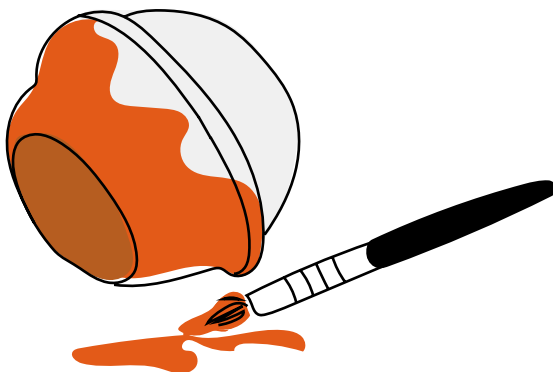

2. With a grown-up's help, cut out the circle.

3. Glue the two bowls together (you might need to use pegs to hold it until it dries).

4. Use a whole punch or scissors to create holes either side of the opening.

5. Paint the bowls orange and add eyes and a mouth in black.

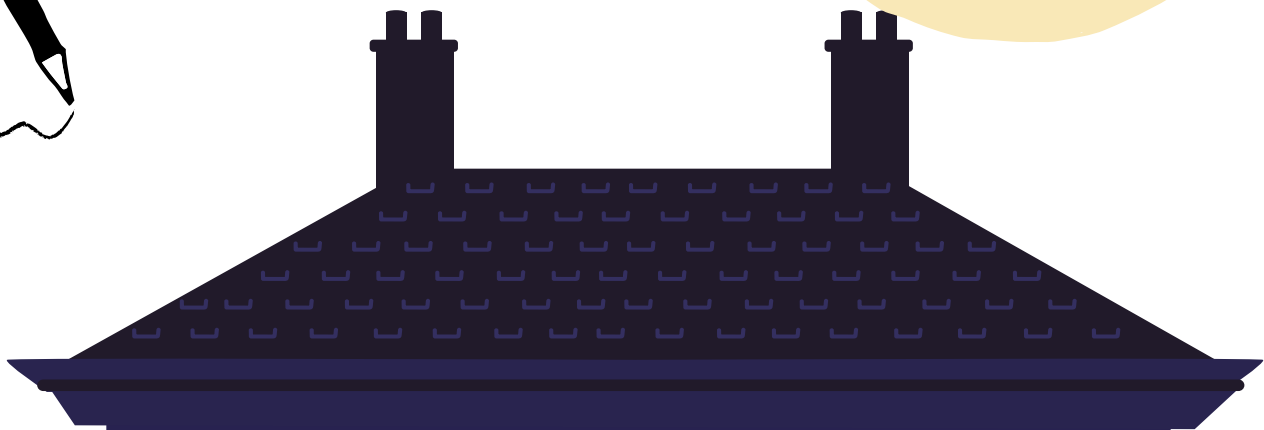

6. Use a green pipe cleaner or piece of ribbon to make a handle.
